

Chelsea Flower Show London

Thursday 24th, Friday 25th & Saturday 26th May 2012

Come and experience the greatest flower show in the world at London's Royal Hospital Chelsea.

Every year the grounds of the Royal Hospital are transformed into show gardens, inspirational small gardens and vibrant horticultural displays that make up the world's most famous flower show.

The Chelsea Flower Show is attended by 157,000 visitors each year. The number is limited by the capacity of the 11-acre ground. Tickets must be purchased in advance. The show's become an important venue for watching emerging gardening trends. New plants are launched at the show and the popularity of older varieties revived before the eyes of the horticultural world. It's the garden design equivalent of a catwalk at a fashion show.
