ABOUT THE SHOW

Global Creatures, the masterminds behind the phenomenon *Walking with Dinosaurs* – The Arena Spectacular, and DreamWorks Theatricals are bringing high-flying, fire-breathing dragons to life in an unprecedented live entertainment event for a worldwide audience.

How to Train Your Dragon Arena Spectacular is an epic arena adventure inspired by the Academy Award® nominated DreamWorks Animation film, HOW TO TRAIN YOUR DRAGON. This must-see arena spectacle will begin its world tour in Australia in March 2012. The production will then tour to Auckland before commencing its United States' season in June 2012.

The live production is inspired by the phenomenally successful 2010 DreamWorks Animation film How To Train Your Dragon, which grossed approximately \$500 million at the worldwide box office and was among the best-reviewed movies of 2010.

In this state-of-the-art production, fire-breathing dragons will soar overhead, immersing audiences in a magical and mythical world of Vikings and Dragons. The astonishing cast of characters features 24 Dragons, some with wingspans of up to 14 metres, Viking warriors and villagers as well as world-class circus and acrobatic performers. The arena spectacular will feature unrivalled production values, projections, flying, stunts, circus performers, fire and pyrotechnics.
